

TOUR TITLE

Walking Tour of Alleppey the Venice of the East.

TOUR SUBTITLE.

Let us explore this amazing city together. Alleppey or Alappuzha is the gateway to the backwaters.

Activity summary.

Alleppey a small market town, the economic hub and bustling port of the erstwhile Travancore state.

It has its own story. The walk starts with a presentation of the history and unique features of the

town.

It is partly driving and walking through the thorough fares of the town, the canal banks, and an old wholesale market - all with a guide.

Guided tour on a walk along a canal-side street, which has many architecturally interesting buildings. Heritage walks through the town, on foot towards letting others know about the rich history of this planned port town.
